SIR,

With reference to your letter No.P.2269/Cts. 72-23 dated the 30th ultimo, requesting to be informed of the source from which the cost of subscribing for copies of the Mysore Law Journal by the several civil and criminal courts is to be met, and enquiring whether it cannot be met from the contingent allotment of each Court, I am directed to state that as the contingent grants of both civil and criminal courts, especially the latter, have been considerably curtailed, and the subscription for the Indian Law Reports has also been lately enhanced, it will not be possible to meet the cost from under that head.

Under these circumstances I am to suggest that the cost may be met for the remaining portion of the current
